Overall assessment shows that this PA is partially implemented. The auditee has set and publically stated their mission, vision, and objectives, which also refer to the BSCI code of Conduct. Furthermore, the auditee has ensured workers involvement via detailed procedures and training on worker representation and grievance mechanism. Satisfactory evidence shown that there are freely elected worker representative, who meet the management once a month. An annual training plan is established, which cover the training needs of all adult workers in right & responsibilities. It has been noted that the auditee has an effective grievance mechanism: the mechanism consists of using suggestion boxes, worker representation, and an open door policy for workers. All these processes are documented under procedures and integrated into worker trainings; however, gaps have been identified in implementation. section 1.1 and 1.3

All workers are provided with written and understandable information about their employment conditions in respect to wage before they enter into employment and about the particulars of their wages for the pay period concerned each time that they are paid. Benefits such as social insurance, annual leave, maternity leaves, gratuity and other legally mandatory benefits provided to all workers, Payroll is thoroughly checked by accounts and HR department before disbursement of payment to ensure employees are paid wages consistent with local laws and terms of employment. Payrolls and attendance records were checked and were found consistent with local laws and terms of employment to employees to verify if wages paid are consistent with the sum of the provided for the workers. All employees are paid through cash and bank transfer. Record of bank transfer of payment and eash was maintained and provided for review. The wages office was well or granized with agonized with ago controlled set of processes which are understood by all employees. All social insurance payments were passed on to the relevant authorities in a timely manner. Wages have been recorded according to documents checked. However, issues identified in the section and described in point below: 5.4

5.4 - Through the documents review it was noted that company is paying PKR 15000 / month as required by minimum wage act of Pakistan, and they have appropriately calculated the Basic living wages as per bsci protocol however they did not take for action for living wage paying to the worker.

مستاویزات کے جانزے کے ذریعے اس بات کا ذکر کیا گیا تھا کہ کمپنی ہی سی اُر 15000 / میپنے کی ادائیگی کے طور پر پاکستان کے کم از کم اجرت کے ذریعہ ضروری ہے، اور انھوں نے باسسی پروٹوکول کے مطابق بنیادی زندگی کی اجرت کی شانب خاریقے سے شعار کیا ہے تاہم
